Spilleplade · 2. klasse · 50 felter · ★ = træk et chancekort

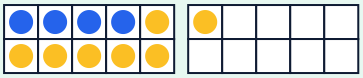

Print på A4 eller A3. Brug en terning og en brik til hver spiller. Kortene ligger i tre bunker: grøn, gul og rød.

Kort fortalt: Træk et kort i din farve og regn. Vend kortet og tjek svaret på hovedet. Rigtigt svar: slå med terningen og ryk. Forkert svar: bliv stående, og læg kortet nederst. ★: træk et chancekort. Først i MÅL vinder.
